Summit Poet and Artist

Throughout this Summit, you will see Barbara Luhring (We Draw Ideas), the Summit Artist, and Alexandria Delcourt, the Summit Poet, observing presentations and listening to discussions. Barbara and Alexandria have the fun task of helping us reflect on the work that we are doing through large-scale drawing and the creation of a closing poem. Feel free to share your feelings and experiences with both Barbara and Alexandria. Alexandria will be asking you to contribute short pieces of prose, which she will incorporate into her closing poem. Both of these creations will be shared with participants in the weeks following the summit.

Note: The specific timings and durations of the sessions may vary based on the preferences of the organizers and the needs of the Summit attendees.
